**APPROVED BY**  
President of the International  
Sport Federation of Firefighters  
and Rescuers V.A.Puchkov  
November 20, 2013

**REGULATIONS**  
**for Conducting the 10<sup>th</sup> World Championship in Fire and Rescue Sport**  
**“Almaty-2014”**

**1. Objectives and scope of competition**

The 10<sup>th</sup> World Championship in Fire and Rescue Sport (hereafter - competition) is conducted with the objectives as stated below:

- further development of fire and rescue sport and popularization of profession of firefighters and rescuers;
  - improving the professional and sports skills of firefighters and rescuers;
  - strengthening the friendship and cooperation with fire and rescue services of foreign countries;
- popularization and development of fire and rescue sport among women and their participation in international competitions.

**2. Organization of competition**

Overall the competition is organized by the International Sport Federation of Firefighters and Rescuers in cooperation with the Federal State Institution «Central Sports Club of Ministry of Emergency situations of the Russia Federation».

Locally, the competition will be organized and conducted (preparation of venues, receiving and seeing-off the participants, health services, providing sports and technical equipment, catering services and accommodation, cultural and leisure arrangements, presentation in mass media etc.) by the Ministry of Emergency situations of the Republic of Kazakhstan, Non-Governmental Organization "Sport Federation of Firefighters and Rescuers of the Republic of Kazakhstan", Agency of Sport and Physical Culture of the Republic of Kazakhstan, JSC "Sovereign Wealth Fund "Samruk-Kazyna", Limited Partnership "Pilot Communication".

Competitions are conducted in compliance with the Rules of fire and rescue sport competition, approved by the International sport federation of firefighters and rescuers on October 17, 2009 with amendments in 2013 and Regulations of international competitions in fire and rescue sport (in edition 2011, 2012).

Fire-technical equipment, used in fire-attack deployment and 4x100 meters Firefighters relay-race, must be published on [www.interfiresport.com](http://www.interfiresport.com), [www.firesport-almaty2014.com](http://www.firesport-almaty2014.com) until **August 04, 2014**.

Fire attack deployment is to be conducted using trailer-pumps, made by the company "ROZENBAUER VOX III" with connections of STORZ couplings.

### **3. Timelines and venue of competition**

Competition is to be conducted from September 04 till September 09, 2014, in Almaty (Republic of Kazakhstan).

Teams arrive on September 04 and depart on September 09, 2014.

### **4. Participants and admission**

The national teams of the member-countries of the International Sport Federation of Firefighters and Rescuers, as well as countries received an invitation, take part in the competitions.

The composition of sports delegations, 29 persons:

Head of delegation – 1, team leader – 1, coach – 4, doctor – 1, judge – 2, athletes: men – 10 persons, women – 10 persons.

It is allowed to change the quantitative structure of delegation taking into account the declared women and the sports personnel.

Participants of competitions need to submit to credentials committee the signed request. The request should be separate for men and women.

Doping control is carried out during the competition. The control is carried out in accordance with the provisions of the World Anti-Doping Code (WADC), International testing standards and Prohibited list. The order of collecting samples and quantity of samples is determined at the joint meeting of team's representatives and Main judge panel on **September 05, 2014**.

4.	Fire attack deployment	1 team (7 persons)	1 result

Competitions in climbing on an assault ladder, overcoming the 100-meter obstacle, fire attack deployment carried out on two attempts.

## **7. Procedure and conditions of defining the team and individual champions**

Overall team ranking is determined on the basis of least total placings, taken by teams in all the sports events. In case of equality in total placings, the higher place is awarded to the team having best result in fire attack deployment.

Team ranking in youth sport events is determined on the basis of minimum total time, clocked by ranking competitors. In case of equality, the teams are awarded the same place (subsequent rank is not awarded).

The team, which has not scored total number of scores, is ranked below the teams having full score. In case of equality of incomplete scores, the team is ranked as per the minimum time of ranking competitors.

Individual ranking in sports events, and also ranking in fire attack deployment, is determined as per the best result from two attempts. In case of equality – as per the best total time of two attempts, and in case of level time from two attempts – as per the best result of first attempt, further – who started earlier.

In case of result's equality in 4x100 meters firefighter relay race the higher place is awarded to the team, which started earlier.

Double event is not included in team result.

Finals and semifinals for men and finals for women are held in 4x100 meters firefighter relay race and assault ladder to determine winners. The amount of athletes in final and semifinal races is determined by the number of racetracks. The results of final and semifinal races are not included in team result.

Semifinal races are formed by the results of preliminary races as follows: 1<sup>st</sup> semifinal race – 5<sup>th</sup>, 1<sup>st</sup>, 4<sup>th</sup> and 8<sup>th</sup> results; 2<sup>nd</sup> semifinal race – 6<sup>th</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 7<sup>th</sup>. Final race is formed by the results of semifinal races as follows: 3<sup>rd</sup>, 1<sup>st</sup>, 2<sup>nd</sup> and 4<sup>th</sup>.

Women final race is formed by best 4 results.

Men women in team and individuals compete separately.

## **8. Prizes**

The teams, which occupy 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in overall team rankings, are awarded with cups and certificates; and participants – with medals and gifts.

The teams, which occupy 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in 4x100 meters firefighter relay race and fire attack deployment are awarded with cups and certificates; and participants – with medals, certificates and gifts.

The participants, who occupy 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in individual events in assault ladder, 100-meter obstacle course and double event, are awarded with medals, certificates and gifts.

Winners in sports events are awarded with champion ribbons.

The Coaches of the national teams in all the sports disciplines are awarded with medals, certificates and gifts.

### **9. Entry conditions for sports delegations**

Payment of annual membership fee to the International Sports Federation of firefighters and rescuers at the rate of 3300 (three thousand three hundred) US dollars **till April 01, 2014.**

Payment for participation – 150 (one hundred and fifty) US dollars for each participant of team (sport delegation), transferred to the account of organizer-county **till July 04, 2014.**

The expenses, related to sending the sports delegations (travel tickets, accommodation, food, daily allowances during travel, salary preservation, etc.), are to be borne by the countries, sending delegation to competitions.

Expenses related to organization and conduction of competitions are the responsibility of organizers of competitions at the expense of own and involved means in accordance with the legislation.

### **10. Procedure and timelines for submission**

The preliminary request for participation of sports delegation in competition is to be submitted until **July 10, 2014.**

Information about arrival and departure of sports delegations is to be sent till **July 10, 2014.**
